

AHC21616 Certificate II in Landscaping

**Industries: Agriculture, Horticulture and Conservation
and Land Management**

Enrol online at: <https://bit.ly/2THq8md>

This qualification provides pathways toward landscaping and labouring occupations as well as apprenticeships. This is a great entry level qualification for early school leavers to gain the fundamental knowledge for an outdoor working environment.

Learn the foundations of outdoor work duties and the entry level skills required across many sectors, such as Agriculture, Horticulture and Conservation and Land Management along with other blue collar sectors. This course is delivered via an on-the-job traineeship customized to the workplace or a face-to-face full qualification.

This is a 16-week course run at various locations around NSW.

Contact us to inquire about the next course.

**This training is subsidised by the
NSW Government.
